STATE OF WASHINGTON

OFFICE OF THE SECRETARY OF STATE

January 2011

Greetings:

The Office of the Secretary of State, Charities Program, is pleased to present the 2011-2012 Charitable Trust Directory.

We are happy to provide this comprehensive guide to charitable trusts in accordance with the Charities Program's mission to make such information available to the public in a clear and concise manner.

For ease of reference, the Directory is arranged alphabetically and includes several indexes to facilitate searches based on specific criterion.

It is our hope that this publication is useful. If you have comments or concerns regarding the Charitable Trust Directory, please do not hesitate to contact the Charities Program.

Sincerely,

SAM REED
Secretary of State

Charitable Purpose of Trust

To shape the future of Southwest Washington through philanthropy. We do so by receiving and managing funds to build a permanent endowment that addresses the unmet needs of our community. We grant funds to support worthy projects in the areas of social and human services, arts and culture, education, and quality of life. We provide a flexible way for donors, with varied philanthropic desires, to effect positive changes in their particular areas of interest. We act as a leader in the local philanthropic community, identifying and exploring important issues and concerns, and shaping effective responses.

Charitable Purpose of Trust

Provides financial assistance to students from Western Washington who are entering or attending accredited institutions of higher learning which receive their fundamental support from sources other than taxes. Each student will have unrestricted choice of the institution of higher learning which he or she will attend.

Awards will be made only to students who need financial assistance and will be in the amount of \$5,000 per student per year, except in those cases where the need is less. Those applying for financial assistance as first-year students should have outstanding scholastic records at their secondary schools and combined math and verbal S.A.T. scores over 1200. Recipients of assistance are not selected on the basis of scholarship alone, but on the basis of all factors which the Trustees of the Foundation consider relevant, without regard to race, sex, color, ethnic, origin, religious belief, marital status, or physical handicap.

Food Lifeline's Mission is to eliminate hunger in western WA. We do this by working with members of the community to secure food to be distributed to a network of more than 240 food banks, meal programs & soup kitchens. Food lifeline primarily works with the food industry who give us unmarketable yet wholesome food that would otherwise end up in crowded landfills.

Through a safe all-girl environment, Girl Scouts offers an endless array of activity choices to meet the needs and interests of all girls ages 5-17. Working in partnership with competent adult volunteers, Girl Scouting encourages and enables girls to develop to their fullest potential. Activities are girl planned, empowering them to practice setting and achieving goals and developing lifelong leadership skills. Girls learn the value of working with others for the benefit of all and acquire the confidence, determination and decision-making skills to deal with the critical issues they will face in today's world and beyond.

Northwest's Child is a non profit agency that works with children, youth and adults with severe/profound developmental and physical disabilities. One way we are able to serve the day to day needs of our clients and families is through donations and grants to offset the cost for their care. Their needs are so great and the families, very often, are low income and frequently in crisis.

This status allows them to be properly cared for at the level of quality that they require.
